

Herne Hill United Church Safeguarding Children, Young People and Vulnerable Adults

Safeguarding Policy and Procedures

Introduction

We believe that every person has a value and dignity, which comes directly from the creation of humans in God's own image and likeness. Christians see this potential as fulfilled by God's re-creation of us in Christ. Among other things this implies a duty to value all people as bearing the image of God and therefore to protect them from harm.

Statement of Safeguarding Principles

We are committed to:

- the care and nurture of, and respectful pastoral ministry with, all children, young people and adults
- safeguarding and protecting all children, young people and adults when they are vulnerable
- establishing safe, caring communities, which provide a loving environment where there is informed vigilance as to the dangers of abuse.

To this end:

- We will carefully select, support and train all those with any responsibility within the Church, in line with the principles of Safer Recruitment. We will respond without delay to every complaint made, that any adult, child or young person may have been harmed, cooperating with the police and local authority in any investigation.
- We will seek to offer informed pastoral care and support to anyone who has suffered abuse, developing with them an appropriate ministry that recognises the importance of understanding the needs of those who have been abused, including their feelings of alienation and / or isolation.
- We will seek to protect survivors of abuse from the possibility of further harm and abuse.
- We will seek to challenge any abuse of power, especially by anyone in a position of respect and responsibility, where they are trusted by others.
- We will seek to offer pastoral care and support, including supervision, and referral to the appropriate authorities, to any member of our Church community known to have offended against a child, young person or adult who is vulnerable.

In all these principles we will follow legislation, guidance and recognised good practice.

Adoption of United Reformed Church policies

Herne Hill United Church is a 'Single Congregation Local Ecumenical Partnership' whose participating denominations are the United Reformed Church and Methodist Church. It is recommended practice that "one set of safeguarding policies of one denomination is used which fully meets the requirements of each denomination participating in the LEP".

Herne Hill United Church has opted to use the policies of the United Reformed Church. The United Reform's Good Practice 6 guide can be found in the Vestry as well as online <https://urc.org.uk/safeguarding>.

This safeguarding policy applies to both sites under the control of the church, namely the church and halls at Red Post Hill and the Methodist Church Hall, Half Moon Lane.

1. Aim and purpose of this policy

The aim of this policy is to ensure that protecting people from abuse, harm or neglect is central to our culture. It provides procedures for promoting safeguarding, preventing abuse and protecting children, adults at risk and staff. This includes clear procedures for taking appropriate action when safeguarding concerns are raised involving children and adults within our church, or those who attend our activities and events.

Who this policy applies to

This policy is approved and endorsed by the Elders and applies to:

- all members of our church
- all those who attend and serve our church/place of worship and its services
- our trustees and elders
- paid staff (both internal and external, such as consultants)
- volunteers
- organisations and groups which hire our buildings with written agreement to operate under the church safeguarding policy.

Principles underpinning the policy

- Our theology and values
- Our commitment to put the welfare of children and adults at risk first
- A willingness to be open and listen
- A commitment to comply with relevant legal and regulatory requirements.

Definitions

The term 'children' refers to those under the age of 18 years.

The term 'adult at risk' refers to any adult aged 18 or over who, by reason of mental or other disability, age, illness or other situation, are permanently, or for time being, unable to take care of themselves, or to protect themselves against significant harm, abuse or exploitation.

Duty of care and confidentiality

Duty of care and confidentiality We have a duty of care to all beneficiaries of the church, whether children or adults. We will always maintain confidentiality, except in circumstances where to do so would place the individual or another individual at risk of harm or abuse.

2. Creating a safer culture

We are committed to creating a safer culture in our church which will help us to prevent harm from occurring and provide an environment in which all can flourish.

In line with Chapter two of Good Practice 6, we will:

- Appoint a Church Safeguarding Coordinator and ensure contact details are available for anyone to report a concern
- Have a safeguarding policy which is reviewed annually and updated when necessary
- Practice safer recruitment procedures for paid and volunteer roles
- Ensure all those working with children and/or adults at risk are given copies of relevant Codes of Conduct
- Follow the requirements of the training framework
- Comply with legal requirements in respect of data protection
- Complete the Annual Church Safeguarding Return
- Ensure safeguarding is a regular agenda item for church and Elders' meetings.

3. Ensuring safer activities

Whilst it is not possible to guard against every eventuality, we are committed to providing as safe an environment as possible for activities both on and off church premises.

In line with Chapter three of Good Practice 6, we will:

- Ensure appropriate insurance is in place for buildings and activities
- Consider the implications of data protection and health and safety requirements for specific activities
- Carry out risk assessments for relevant activities or events
- Ensure adequate staffing for activities and that leaders have suitable training, are aware of relevant guidance and agree to follow relevant Codes of Conduct
- Ensure the hirer's agreement is in place for other organisations using church premises
- Seek advice from the Synod Safeguarding Officer for complex or sensitive risks.

4. Recognising and responding to concerns

We acknowledge that, although promoting Safer Culture and Safer Activities will help to protect all those in contact with the church, some concerns will inevitably arise and we are committed to responding well in such circumstances.

In line with Chapter four of Good Practice 6, we will:

- Promote awareness of different kinds of abuse, other vulnerabilities and types of safeguarding concern
 - Seek to create a 'listening culture' and help people develop listening skills to respond appropriately in situations where sensitive information is disclosed
- Inform the Synod Safeguarding Officer as a minimum of any situations where involvement from statutory services is/may be required
- Share information with statutory services as appropriate and co-operate with them during any investigations
- Report any serious safeguarding incident to the Charity Commission and notify the Synod Safeguarding Officer.

5. Managing allegations and people who may pose a risk to others

Where allegations are made against individuals within the Church, we are committed to following all required investigative and regulatory procedures. We will work in collaboration with the Synod, wider Church staff, statutory agencies and other relevant organisations.

In line with Chapter five of Good Practice 6, we will:

- Co-operate fully with any investigative or disciplinary procedures
- Inform the Synod Safeguarding Officer immediately on becoming aware of anyone in the church who may present a risk to others
- Work with the Synod Safeguarding Officer and contribute relevant information for risk assessments
- Alert the Synod Safeguarding Officer or statutory agencies to known breaches of a safeguarding agreement.

What to do if there is a disclosure or allegation of abuse

If a child, young person or adult makes a disclosure that they are being abused and have been abused, it is important that the person being told:

- stays calm and listen carefully
- reassures them that they have done the right thing in telling
- does not investigate or ask leading questions
- explains that they will need to tell someone else if anyone is at risk of harm, in order to help them
- does not promise to keep secret what they have been told
- informs the church Safeguarding Coordinator within 24 hours (if they are implicated in the allegation, inform the Deputy or the Synod Safeguarding Officer)

- makes a written record of the allegation, disclosure or incident and signs and dates this record (using the template in Appendix A5). This should be given to the church Safeguarding Coordinator or the Synod Safeguarding Officer and stored securely in a locked filing cabinet.

6. If the allegation is regarding a church staff member or church volunteer

If someone in the church is alleged or known to harm/have harmed children or adults, it is essential to inform the Synod Safeguarding Officer so that they can offer advice and support.

For any concerns relating to children, the Designated Officer (previously known as LADO) or the equivalent in Scotland and Wales will be contacted. The timing and method of any action to be taken will be discussed and agreed with the LADO. This will cover communication with the worker, suspension, investigation and possible strategy meetings. A decision will be taken by the DO about when to inform the worker and the church will follow this advice. As noted, DO contact details, should be included in the Key Contacts section of this model policy.

For concerns relating to adults, Adult Social Care will be contacted. Likewise, their contacts details should be included in the Key Contacts section of this model policy.

In accordance with the law, a referral needs to be made to the DBS / PVG for consideration of barring to share information about any individual in regulated activity where for safeguarding reasons the organisation has either terminated the employment, failed to appoint, or would have terminated the employment had the individual not moved on through resignation, retirement or re-deployment. In such cases, the synod safeguarding officer needs to be advised/informed.

Depending on the seriousness of incidents or allegations, a report to the Charity Commission will also need to be considered at the elders/trustees' meeting, as they deem such a referral to be a 'serious incident' and require notification.

7. Supporting victims and survivors

The key principle underpinning our policy and practice in this area is that all those who have experienced abuse, whether recently or in the past 'will be listened to and offered the pastoral care and support they deem appropriate and relevant, irrespective of type of abuse, context, or when this occurred' (General Assembly policy statement 2021).

In line with Chapter six of Good Practice 6, we will:

- Recognise that the Elders' meeting has responsibility for provision of pastoral care
- Be aware of local support services that people can be referred or directed to
- Ensure those in relevant roles attend appropriate training
- Seek advice from the Synod Safeguarding Officer about provision of appropriate support when necessary.
